FROM FOUNDER SECRETARY DESK:

It is my honour and pleasure to give the *Agragati* Annual Report for the years 2021–22 on behalf of the Governing Body and the staff. I am grateful for the staff's commitment to their work, the community they serve, and the overwhelmingly generous support from our donors. Together, we are achieving success and synergy.

By placing your trust in us to continue the heritage of justice, sincerity, and freedom for the most disadvantaged and downtrodden, you have profoundly humbled me. The Board, employees, and stakeholders have regularly convened over the past year to discussion and analyse the numerous difficulties we face, define strategic orientations, and create plans to successfully handle the issues. The team seized the initiative and started working on the future plan, which included analysing and improving our social services and programmes. Re-energizing the Centre's monitoring, assessment, accountability, communication, documentation, and advocacy initiatives was of our main objectives.

Through the breadth of our programmes and activities, we continued to play a responsible role in mobilising and empowering the underprivileged communities in order to address the underlying causes of illiteracy, poverty, exploitation, and human entitlement in different parts of Jharkhand. However, some difficulties we experience are beyond our control and put us at risk. The effects of climate change on the area and the communities where we operate cannot be overstated. We hope to the western countries to make moral decisions and uphold the Sustainable Development Goals 2030, upon which the Agragati is attempting to realise its own SDG.

We must take advantage of this chance to address the issue and look into positive ideas for strengthening the resilience of our development efforts. During this time, the Agragati has started a number of supports, skill development training and awareness generation activities. Our Board of Directors swiftly approved such actions, enabling us to keep making a desire positive change of the rural community.

The development strategy to assist rural growth and development through promotion and advocacy in rural areas would be something I will be very happy to support and contribute to as founder secretary. As a result, participating in this extensive project was really satisfying for us because it gave us valuable information about how to manage pneumonia in our nation. With its ongoing humanitarian activities, the Agragati had a significant social influence during the year.

We cordially encourage you to read this report, which highlights the accomplishments, activities, and services that defined the previous year. Without the assistance of our beneficiaries, associates, volunteers, partners, and benefactors, none of this would have been possible. I sincerely thank you all. With your continuous participation and support, we anticipate another fruitful, hopeful year.

Founder Secretary

(Mr. Tapan Mandal)

About the Organisation

The Agragati is a recognised community support Civil Society Organisation that focuses on fostering innovations to help the poor's sustainable lifestyles. Established as a "not for profit" in 23rd January 1978. We have taken the direction he set under the skillful and vivacious leadership of the dedicated social worker Mr. Tapan Kumar Mandal, who was moved to action by the dreadful predicament of flood effected people in West Bengal in 1978 and was inspired to take action to improve their socio-economic conditions.

In order to bring about socioeconomic transformation for unreached people such tribes, ST, SC, and weaker sections, Agragati has enlisted the aid of a number of committed social activists, social workers, local community workers/leaders, and national/international organisations.

Building Governance system, PRI institutions and Gram Sabhas to ensure effective public delivery services to the local people has been one of our main areas of focus. The other has been improving the lives and welfare of poor and tribal people and other vulnerable communities, with a particular focus on tribal women and low economic group.

Agragati is structured exclusively allows it to operate at all stages of the value chain, including implementing village-level programmes, collaborating with the Government, multilateral and bilateral organisations, and civil society organisations to improve and enhance their patterns of livelihood, as well as leading initiatives to support, educate and influence policy.

MISSION OF THE ORGANIZATION:

Vision:

Establishment of a Develop and an inclusive society that is self-reliant, self-dependent, and free from exploitation, regardless of religion, social class, creed,

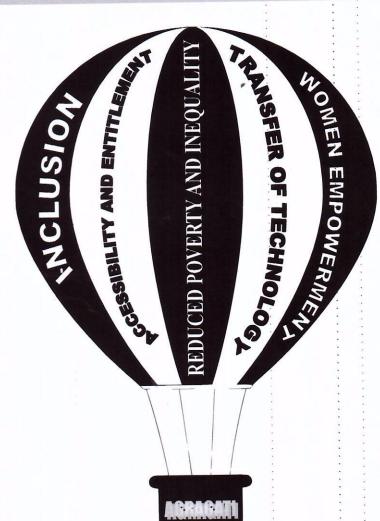

Mission

Socio-economic and cultural development of the vulnerable sections, weaker sex, Dalits, minorities in rural area through awareness generation, facilitated quality education, health care promotion and support for adopting suitale income generation.

Aim & Objectives:

- To establish an exploitation free society based on truth and non-violence.
- To eradicate poverty, illiteracy, exploitation, discrimination and other social evils.
- ➤ To promote the village economy through promotion of farm and non-farm livelihood, increase irrigation facility, public health, popularization of village and cottage industries, organised-empowered the women under self-help concept
- To mobilize & empowered people for social, economic and cultural development and preserving and documented old customs and beliefs, folk cultural development

Government
sponsored social
security schemes A

Women and Children will be aware of their entitlements and lead a dignified life without fear

OUR AREAS OF INTERVENTION

1. Agriculture & Value Addition

To promote medium, small and micro agro processing/value addition units ensuring income increase to farmers, revamping Farmer Producer Organisations and generating employment opportunities.

2. Climate Resilience Livelihood

To include agro-ecology development (prevents degradation), life cycle-based water resource harvesting and create opportunities. Increasing access to proper infrastructure and skill empowering for transfer of technology and promote suitable economic model

3. Clean & Green Energy base Entrepreneurship

Empowers women and youth by enabling them to emerge as clean energy entrepreneurs and climate change leaders in their rural communities. Utilizing the potential of green energy and ensuring everyone has access to it is essential to attaining drives social and economic progress in general and sustainable inclusive growth in particular.

4. Training & Skill Development

To impart training underprivileged, unreached communities, youth and women to improve skill development of functionaries as part of our multi-pronged approach. Helping people develop and update their skills makes economic sense.

5. Entitlement -Women Empowerment and Discrimination Free Society

Working with communities, youth, self-help groups and community-based organisations for equal participation of their development process. Creating an environment where youth's voices are heard and considered for inclusive development.

MAJORE MILESTONE OF THE YEAR:

Agragati gives more emphasis on the transforming of lives for any segment of community to lead a quality life in the society. In this year we have tried to main stream the youths through counselling them to choose right carries for their future. In this year we are offering to council youth for their choice base initiative.

In the present context of Jharkhand many youths were dropped out from their main course of education and moving around aimlessly to look for livelihood options, they were given proper guidance to identify their qualities, skill and indigenous knowledge-potentialities to go for the suiting jobs for their better earning to lead a better life.

There are five (5) Farmers Producers Organization in Ramgarh district formed with the support and guidance of NABARD. These five FPOs are now becoming more business oriented. They are putting their efforts to explore better market options to sale their products to get better return. All of these FPOs have very good linkages with the local government and concerning administration for market linkages and exploration for long run.

Agragati have taken an initiative with the financial support of SELCO Foundation and TERRI to promote green and clean energy. We are aware that affordable and clean energy is one of another agendas of SDG and also concerns of government. It cannot be ignored in this present situation of Jharkhand. Due to power for most of the time farmers do lose their cultivation or earning for the day.

Virtual and physical meetings with parents to discuss progress of children. Awareness sessions on nutrition and low-cost nutritious food preparation.

IMPACT 2021-22

- 2500 small and marginal farmers were benefitted directly and indirect way by our organizational support
- 4285 youth counselling sessions organised
- 10 youth got fellowship for setting up new entrepreneurship from our project
- 3000 children mainstreamed through Childline support
- 4 exposure visits organised and after those 400 farmers adopted new cash crops cultivation for more farm income and employment generation

Information Dissemination for a Better Tomorrow:

The Agragati always works to promote information interchange across all the communities because it believes that knowledge is the power. The Agragati exchanges information from a local to a global level and back again using print and electronic media. The Agragati has organised a number of trainings, workshop and also online awareness programmes about the public health, regenerative agriculture, education and also climate change-risks.

AGRAGATI ANNUAL REPORT 2021-2022 WEST BENGAL PROJECT

Social Developmental Activities

AGRAGATI Initiatives for Education

Agragati Primary Teachers' Training Institute (PTTI)

In the broad context we are trying to provide higher education and professional degree to the educated youth and women who are join to school education system as a teacher. It was after a long time and hard efforts; we got recognized by National Council of Teacher Education (NCTE) and affiliated to West Bengal Board of Primary Education for the course in the year 2011 for D.El.Ed Course. Up to 2000 students are enrolled and achieve the degree through the institution. At present 45 trainees are undergoing the D.El.Ed Course in this properly managed Institute. The functioning of the Institute is done in well-furnished accommodation & library and the faculties of the Institute have earned much praise from the guardians & trainers. The managing committee and the faculties have been sincerely working for the progress of the Institute and it has already become an ideal Institute and it desires to have Quality Assurance in future.

Yoga & Naturopathy Institute:

Yoga and Naturopathy education is imparted in education system through various colleges located in different part of the country as well as West Bengal. Keeping in mind the Sustainable Development Goals -3 'Good Health and Well Being', AGRAGATI has vowed to build physical and mental well-being and a healthy society. In consulting with the West Bengal Yoga and Naturopathy Council. The Health & Family Welfare Department. Ayush Dept. one year Diploma Course has been running. Through the education system AGRAGATI wants to educate and trained youth, women and progressive people on yoga and naturopathy, those who can give a healthy society to the country with social services. This year 05 students enrolled in this course. Some photos of the course:

National Child Labour School (Special Training Centre)

Provision is made for residential school for providing education and vocational skill development of child labourers with support from Ministry of Labour & Employment, Govt. of India through NCLP, Howrah. This year 100 students enrolled. Two schools are functioning smoothly under the management of the Organization – one at Deorah Village in Udang II Gram Panchayat and the other at Narit Village in Tajpur Gram Panchayat. Total No. of students in these two schools is one hundred (fifty in each school). They are belonging to Drop-out students and engage probably zari works and disguised labour also. The students are being served mid-day-meal every day along with their academic activities done for them, almost all the students have Bank A/cs to save their stipend given by the govt. Some of the students are yet to open their A/cs. Mainstreaming of the students is twenty-three gradually going on after completion of their education in NCLP schools.

New Dawn Model School (CBSE)

AGRAGATI has been to mainstream children and youth who are excluded from the light of appropriate education in vulnerable and isolated areas by providing quality education through nonformal means and through night school. We have observed that children do not attend school as a result of inadequate infrastructure, unmotivated parents, and poverty. Additionally, children are work as labourers from an early age to support the family. From this vantage point, we're attempting to connect with deliver the quality education who can access better and quality education from on 15 February 2020. With this in mind, we have developed a number of initiatives.

AGRAGATI established a school namely **New Dawn K.G. Primary School** to educate the children from class one (1) to four (4). In the year 12 student are enrolled.

30th Damodar Mela

Inspired and support from ICCO Netherland, AGRAGATI organized Damodar Mela since 1992. Currently, this mela is being conducted with the support and cooperation of some government departments and self-sustaining way. The mela is with a focus on the environmental concerns around the river Damodar and commercialization of rural produce (Rural Hat) and development of handicraft scaling. Members from the villagers to look closely at the other issues that are impacting the river.

This year Damodar Mela was organized by AGRAGATI held in this year during 7th -13rd December 2022 at Rashpur School Football playground. The Damodar mela was attended by villagers from the neighboring villages and political and social activists and writers from different part of West Bengal and neighboring states.

The activists at the Mela brought up important issues like the necessity of bringing people's voices together to discuss the various effects of pollution and water diversion on their daily lives. They argued that this could only be done democratically and in accordance with the priorities and recognition of local self-governing Panchayti Raj Institutions operated by the people themselves. They asked for giving the Damodar more priority, comparable to the importance being given to the Ganga Action Plan. Glimpases of the activity:

Awareness Programme under Directorate of Consumer Affairs & Fair Business Practices (CA&FBP)

Keeping in mind Goal 16 of Sustainable Development Goal 'Peace Justice and strong Institution' AGRAGATI organized various campaign programme round the year on how to be conscious consumers among the students of schools and colleges and in local areas. The campaign programme supported by department of Consumer Affairs, Government of West Bengal. During this year we are conducted 40 School awareness programme and 50 village level programme special focus on SHGs.

21 February International Mother Tongue Day

Every year on February 21, International Mother Language Day is celebrated to take linguistic, cultural, and multilingual diversity. This Day was observed as the COV caused an unparalleled worldwide interruption to education. Inequalities,

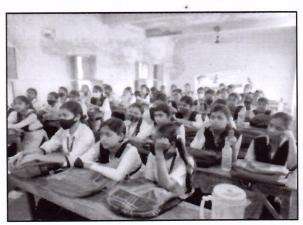

exclusion have been highlighted by this crisis and are likely to get worse or add new layers. The theme of the 2022 International Mother Language Day, recognizes that languages and multilingualism can advance inclusion, and the Sustainable Development Goals' focus on leaving no one behind. Some glimpses:

AGRAGATI ANNUAL REPORT 2021-2022 JHARKHAND PROJECT

Splar operated rice mill Plan for 2022-23 FY.	A 13/ 3	

Project Name: Green and Clean Energy

Objective	Deploying renewable energy in Jharkhand is to advance economic development		
	and mitigate climate change		
Target Group	Rural Artisan, entrepreneur		
Project period	2020-2023		
Funding Agency	SELCO Foundation & TERRI		
	District— Ramgarh		
Coverage of	Block: Gola, Dulmi, Chitarpur and Ramgarh		
Area	Revenue Village: 35		
	House Hold: 225		
Activities	Awareness raising workshops will be conducted in project areas		
Carried out	Raising campaign including print media, radio and television will be conducted to		
	introduce the general public to energy conservation		
	Facilitate the running of business:		
	Xerox Machine -10		
	Silver Jewellery -02		
Achievement &	Sewing Machin -180		
Result	Common Service Center-10		
	MSC -01		
	Pottery wheel run machine -02		
	Freeze Model -05		
	Spray Charging points -04		
3	Solar Freeze Model make for a green and clean enterprise		
	The men of the villages here are busy with their agricultural work, while women look after their households. But during lean times, the family's income dips. This is where Agragati stepped in. In our Green and Clean Energy project core objective is entrepreneurship development of rural youth and job creation through utilizing green and clean energy. We first have small meetings in villages about use of green energy and then we found an enthusiastic people Yogendra Mahato 42, further we found he was unable to find jobs due to lack of innovation and low skills. Our first step was to form different interested groups to aware and support basic knowledge these youth on how to use the green energy for income		
Success Story	generation. We also introduced them enterprise-oriented skills such as sewing machine, pottery, CSC, MSC, spray charging points, Solar Freeze business model and more. Yogendra progressively came forward to start their own enterprise decided on hotel business where refrigerators will run through solar with the support of our project intervention. A scoping study showed solar refrigerator run smoothly, which does not require electricity and keeps cold drinks and vegetables for hotels as nicely as a normal freeze. During the year in summer season, he gained Rs10000/- additional net profit which in year Rs.40000/- The Agragati team motivated other 4 interested youth and taught them how to start the same business in the local areas. All the 4 persons started their enterprise. After that the 4 peoples started with an initial investment of Rs20000/- in their venture and today earns Rs8000/- per month. We are also in the process of helping and promote the youth find bigger entrepreneurship model in which such type of solar system can be used in business with the use of green energy		
	and less capital investment.		

Project Name: Child Line India (1098) District Sub Centre

Objective	To reach out and assist every child in need and uphold their entitlements and			
	protection			
Target Group	0-18 years child			
Project period	2020-2023			
Funding Agency	Child Line India Foundation			
Coverage of Area	District – Ramgarh			
	Blocks- Gola, Dulmi, Chitarpur, Mandu, Ramgarh and Pataratu			
	Revenue Village: 1200			
	Children: 8000			
	i) Counselling of child			
	ii) Open House Discussion			
	iii) Awareness Program			
	iv) Door to Door Campaign			
Activities Carried	v) Drawing Competition			
out	vi) Outreach program			
	vii) Gram panchayat meeting			
	viii) Meeting with School Management			
	ix) Meeting with SHG Members			
	90 children were sponsored for higher education.			
Achievement &	 Reached out to 600 children where they were aware of Child Rights 			
Result	1098 was acquainted to children			
	Girl saved from being trafficked			
	Arpita, 14- and Sunita, 15 (name changed) year old had been trafficked from Patna to			
	Kolkata. CHILDLINE team Ramgarh received a call on 24/04/2021 at 1 PM from CWC			
	Ramgarh that 2 girls' child was found in hotel near by Rajrappa Madir Chitarpur. The			
	CHILDLINE team member reached the spot and met the child. On interrogation, it was			
	revealed that a woman named Jhanu, who works nearby her home and was known to			
	her parents had told her father to give them a job in Kolkata as the family situation is			
	not good, her father agrees. The child says that they were not allowed to leave the hotel. They plan to escape from			
	the hotel, somehow impressing those who held them back. They said we are not going			
Success Story	anywhere, we will buy some cheeps, fast food, soap, oil, etc. Let us go to the market			
Success Story	once. After that they call home from an unknown person phone in the local market.			
	They told the people in the market that a woman had brought them to sell and started			
	crying and also informed her parents that they have brought them to be sold and are			
	now kept in a hotel.			
	A kind hearted person informed the local police and then police informed CWC			
	Ramgarh.			
	CHILDLINE team then searched for the child's address and informed the concerned			
*	Police Station. After that the women Jhanu arrested and took him under the custody.			
	CHILDLINE team handover the 2 children to her parents. Later we find out that these 2			
	children are living happily and peacefully with their families and are studying well.
