Fore word

Last year we are busy in consolidating our strength in the field of education but in this reporting year we have decided to look back on the activities where our core competency was commendable. For any NGO of our kind serving the maximum number of beneficiaries on daily basis are basic objective and we are no exceptions.

Mustering the art of providing quality education to the rural people was one of our basic objectives and I am happy to inform you that we have established a bench mark in Teacher Education and almost a full proof system has been developed with the digital support to maintain the standard we have already achieved.

So a conscious decision is taken to allocate time for serving the rural people by way of taking care of the issue of improving and maintaining their health.

A lot has been done by the Governments to improve health issues even then it is insufficient for the villagers.

Past year we have reported that we are in the process of opening a Yoga & Naturopathy Institute at Kalikata with recongnition of West Bengal Council of Yoga & Naturopathy, Govt. of West Bengal. I am happy to inform you that the institute has commenced it's operation & is doing much better than our expectation. It has encouraged us to start a full flaged 20 bedded in & out patient Yoga & Naturopathy Hospital under auspices of Central Council for Research in Yoga & Naturopathy, Govt. of India by next financial year.

2nd version of Agragati Run for Education Marathon staged on Sunday, 31st December 2017 with more participants. In case of women increase in participation was 400%. Hence, the last Sunday of the year has been earmarked for Agragati Run for Education Marathon by all concerns.

Team Agragati at Jharkhand is holding hands with different departments of Central & State Governments and did well in scientific farming of food gains, cash crops, seasonal farming of vegetables and income generation activities for women by creating ethnic fashions items of heritage value.

26th edition of DamodarMela was organised with usual vigour & energy on 7-13 December. The theme of this year DamodarMela was 'Renowned personalities of Howrah district'. As usual it was runway a success & it was attended by hundred thousand people of near & far of villages.

In our journey to achieve our objective we have received support help and co-operation from different individuals and various organisations and different Departments of Central & State Governments to whom we would like to pay our gratitude before signing off.

Jai Bharat !!

Date: 15.04.2018
