FOREWARD

We are waving through good & not so good times throughout the year under review. Such time comes for all type of organisations. Successful are those who faced it boldly & come out unworn. So challenge to Agragati was how to use this bad times to the benefit of the Organisation's future SUCCESS instead of lamenting.

Towards the end of fiscal year 2018-19 Ministry of HRD circulated the draft education policy to be introduced from the following years which will directly affect Agragati's educational initiatives involving the fate & future of many.

As an NGO we can't sit idle and see perils of our own creations. So we sat for a SWOT analysis & a conscious decision is taken that Agragati will establish an English Medium School initially from Preparatory to Class VI with CBSE Curriculum to fulfill the aspirations of the rural children as well as to accommodate some of the volunteers & educationists.

We are also studying the viability for establishing an undergraduate Sanskrit college at Rashpur to create a chance to the students to know our heritage & culture.

Our Jharkhand team under abled leadership was busy in improving the life of poor & marginal villagers specially adivasi women by giving them training in various trade, agriculture & process as wide as from Tasar farming to Silver filigrees also arranging resources and helping in channelising their produces with optimum return with the active support from PRADAN, NABARD & by various State & Central Government Depfts. and Organisation's.

Our own initiated activities like Yoga & Naturopathy Institute at Kalikata village and two Child Labour schools at the villages of Narit & Deorah under Amta I & II Blocks with the support of Ministry of Labour & Employment, Govt. Of India are running smoothly.

Our proposal for 20 bedded in & out patient Yoga & Naturopathy Hospital at Kalikata village is lying with the Central Council for Research in Yoga & Naturopathy Hospital, Govt. Of India for financial concurrence.

Damodar Mela, champion of rural art and culture fully & wholly dedicated to the people of the entire plateau of the river Damodar celebrated it's 27th years of existence with lots of fun and fare. With age Damodar Mela is becoming more glamorous and more colourful and more popular too. 27th Damodar Mela was inaugurated by Hon'ble Minister Janab Javed Ahmed Khan, Disaster Management Department, Govt. of West Bengal with the present of Hon'ble Minister of State, Dr. Nirmal Maji, Department of Labour, Govt. of West Bengal and other important dignitaries. Lover of folk culture even from the far of districts are visiting & participating in the Mela.

Annual Report : 2019-20

On Sunday, 30th December 2018, Agragati organised 3rd Run for Education Half Marathon which was attended by former Indian Cricketer & Hon'ble Minister of State Mr. Laxmi Ratan Sukla, Department of Youth Service & Sports, Govt. of West Bengal, Hon'ble Minister of State, Dr. Nirmal Maji, Department of Labour, Govt. of West Bengal, Soma Biswas, Olympian, Kuntal Kanrar, famous Mountaineer and other stars from the sports and athletic arena, sports lover & thousands of villagers along with renowned & member of Seven Continent's Club Marathoner Mr. Ghanashyam Adhikari from USA.

Before signing off I on behalf of all the staff & volunteers of Agragati would like to register our heartfelt gratitude to different individuals, Government & non Government Deptts & Organisations without whose support, help & co-operation we would not have achieved what little we have achieved in 2018-19.

Jai Bharat !!
